NOW, THEREFORE, BE IT ORDAINED by the President and Board of Trustees of the Village of Brookfield, Cook County, Illinois, as follows:

Section 1. Amendment to Chapter 6 "Buildings".

That Chapter 6 entitled "Buildings" of the Village Code of Brookfield, Illinois, is hereby amended to read as follows:

Article VII Containers

6-81 Containers

(1) Containers, General. The restrictions imposed herein shall apply to all dumpsters, storage containers, or any similar obstruction placed on any public street, public sidewalk, or public alley at any time, or moved across public right of way for placement on private property. Dumpsters exceeding 20 yards are strictly prohibited. Freight containers are strictly prohibited.

(2) License Required.

(3) Permit Required.

- a. A container permit, valid for 10 days and renewable, is required for all such obstructions, whether placed on public or private property. The permit must be obtained by the owner or authorized agent of the owner of the property where the dumpster/container will be placed.

(4) Location and Placement:

- a. All containers must be located on private property. The placement of containers on public alleys or parkway is strictly prohibited. Where it is not possible to place a dumpster on private property, a maximum 20-yard dumpster may be placed in the street in accordance with the provisions of this ordinance. Storage units or other containers are prohibited from obstructing any portion of the public way.
- b. No such obstruction shall be allowed to be placed in any manner so as to block any public street, sidewalk, or alley for use by vehicles, pedestrians, or bicycles.
